

Handleiding

Amino afstandsbediening

1. Zet de TV aan (dus niet in de stand-by modus).
2. Zoek de code voor je TV in de codelijst op de volgende pagina's.
3. Zet het volume van de TV ontvanger op 100.
4. Druk tegelijkertijd op de toetsen 1 en 3 totdat de knop **TV** twee keer knippert.
5. Toets met de cijferknoppen de 4-cijferige code in die bij je TV hoort.
6. Druk op de **Mute**-knop van de afstandsbediening. Dit is een icoontje van een luidsprekertje met een diagonaal streepje erdoorheen.
7. Zodra het **Mute**-symbool in beeld komt op je TV kun je de toets loslaten.
8. Druk tegelijkertijd op de **Text**-knop en de **Stop**-knop. De knop **STB** gaat uit. Je bent nu klaar, en je kunt voor je TV gebruik maken van de knoppen **TV**, **Volume** en de **Mute**-knop.

Let op! Deze afstandsbediening is niet geschikt voor het bedienen van smartfuncties. Als je de smartfuncties van je TV wilt gebruiken dan heb je de afstandsbediening van je eigen TV nodig.
